<sup>(1)</sup> Please note that the CU auditor may visit other farmers. On the day of the audit, you will be informed of the farmers who will be visited.

Dear,

Hereby I send you the audit plan that will be carried out to your organization.

Please, note the following information:

- An opening meeting will be held, in which the type, objective, scope and criteria of the audit will be confirmed; as well as the methodology to be used.
- If applicable, a tour of the facilities and interviews will be conducted, documents (procedures), records including their procedures and complaints will be evaluated; information traceability, etc. These documents, as well as the people responsible for the processes, must be available during the audit.
- The audit will conclude with a closing meeting at which the findings will be presented.
- Please, note that the auditor may deviate from this plan at any time in order to meet the objective of the audit.
- The auditor must have free access to all production, processing and administrative units; as well as access to the personnel to carry out the audit.
- Please, note that the unavailability of key personnel, documents, or incorrect information provided in the application format regarding distances, time, may cause the audit to take longer than scheduled. Any extra time in the audit will result in an additional cost to the client.
- If necessary, the auditor will contact you to coordinate logistical aspects.
- If the objectivity of the audit is compromised, the auditor has the right to cancel the audit. Reasons for an audit cancellation may be, for example: interference during the audit process. All costs involved in this situation will be charged to the client.

- You are requested to inform in advance of any provision to guarantee the protection of the occupational health of the audit team, in addition to providing the necessary protection elements according to the identified risks.
- All information known during the course of the audit will be treated confidentially between the auditor (audit team) and Control Union.
- All relevant documents, standards and rules of the certification process are available on the website <http://www.controlunion.com/certification> or [www.cuperu.com](http://www.cuperu.com).

Please, review the audit plan in detail, and let us know if you want to make any changes or corrections.

Best regards
