

Dear Facility Manager,

Control Union is a privately-owned service provider offering social compliance assessment services to producers supplying global brands. Control Union takes seriously its responsibility for ensuring the establishment and maintenance of systems of internal control for the prevention and detection of fraud, irregularities, and corruption. Control Union will not tolerate fraud, corruption or abuse of position for personal or institutional gain. This letter is presented to you for the purpose of explaining our expectations. We ask that you read this letter, sign it, and observe its guidelines.

1. Never under any circumstances offer a payment, bribe, gift or benefit to a Control Union auditor. Any benefit given or offered to a Control Union auditor will be considered a corrupt practice and may be reported to the client ordering the audit.
2. Never under any circumstances give in to demands or requests for benefits or payments from Control Union auditor(s). If a Control Union auditor requests or solicits any direct or indirect benefit or payment, we expect that you will contact Control Union immediately at the phone number or email listed in your service offer letter.
3. Do not put any pressure on our employees to execute their work in a subjective way or to amend their findings. Furthermore, do not directly seek out Control Union auditor(s) outside of the audit time period (for example, at their homes or hotel).
4. Please create an environment where Control Union auditor(s) can work freely and constructively in a way that allows them to do their job properly and in such a way that client expectations can be met. This includes but is not limited to providing appropriate space and access to workers for confidential interviews; and unrestricted access to facilities and management and administrative staff and records.
5. Control Union auditor(s) may not take lunch at an outside restaurant with client company management. If the facility provides lunch, then Control Union auditor(s) must be provided with a written receipt and reimburse the facility for the full value of the meal provided.
6. Control Union auditor(s) may not accept rides to the facility location. Control Union Auditors may only accept rides in specific regions (Asia; Africa except South Africa) under circumstances where appropriate alternative transportation is not available and with approval from their supervisor.
